Master Gardener Spring Plant Sale Sat., April 11, 2015

MGs and Friends of the BBG,
we are looking for seeds and
cuttings of your favorite plants.

One emphasis for this sale will
be a focus on growing pollinator
plants – hosts and nectar.

All of our plants are grown in
sterile containers using sterile
growing medium. We do not use
neonic pesticides and practice
Integrated Pest Management
controls. All of our plants have
been grown and nurtured by
certified UF/Brevard County
Master Gardeners.

Welcome 2015!

The Garden and Nursery at the Brevard Botanical Garden are

*The BBG Nursery is a Florida Certified Plant Nursery. We are routinely inspected
for plant pathogens and pests. This BBG Nursery supports the UF/IFAS Florida
Friendly Landscaping™ and UF/IFAS Best Management Practices and we do not
knowingly sell plants listed on the UF/IFAS Invasive Plant List.*

*Our mission is to promote an increased appreciation for our environment. We seek to
inspire, support, and educate the community about horticulture through UF/IFAS
research based demonstration gardens, collections and displays.*

All proceeds from the Master Gardener Spring Plant Sale benefit the development
of the Brevard Botanical Garden.
